OBJECTS OF THE INSTITUTION.

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief: indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods, as will be seen from the Medical Report, the figures in which speak for themselves as to the rate of progress of the Hospital work. Subscribers are invited to write in reference to any case in which they may be interested to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 4). More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant: no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

RULES FOR THE ADMISSION OF PATIENTS.

THE Hospital is devoted to the Treatment of the Children of the deserving Poor, suffering from Disease which is incurable or which requires for its permanent relief or cure a longer time than can be spared to such cases in General Hospitals.

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and ten years of age; those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

[A List of Governors and Subscribers, and full particulars of their privileges, will be found on pp. 44 and 4.]

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

METHODS OF HELP.

The following means of assisting the objects of this Institution are set down for the information, and in response to the enquiries, of friends who may be willing to give practical support to its work.

COT ENDOWMENT.

The sum of **£1,000** endows a Free Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

The sum of **£750** endows a Half-payment Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs; the payment of two shillings a week being required on behalf of the occupant.

The sum of **£300** endows a Free Cot for the period of the Donor's life, and entitles the Donor to name it and to nominate a child to it as vacancies arise, no payment being required on behalf of the patient.

The sum of **£250** endows a Half-Payment Cot for the period of the Donor's life, and entitles the Donor to name it, and to nominate a child to it as vacancies arise, the payment of two shillings a week being required on behalf of the patient so nominated.

These Life Cot Endowments can be converted into Permanent Endowments upon the death of the Donor, either by bequest or otherwise. (See p. 4.)

COT SUBSCRIPTION.

An Annual Subscription of **£40** entitles the Subscriber (during its continuance) to name a Free Cot, and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

An Annual Subscription of **£10 10s.** and upwards constitutes the Subscriber (during its continuance) a Governor of the Hospital; such Governor being entitled to attend and vote at the Annual Meeting of the Committee and Governors, and to nominate one case annually; such child having precedence of admission over those recommended by other Subscribers.

An Annual Subscription of **£1 1s.** and upwards entitles the Subscriber (during its continuance) to recommend one child annually; such case taking precedence of admission over those not so recommended.

ASSISTANCE FOR SPECIAL CASES.

Some friends prefer to concentrate their interest upon one particular Cot or case. A few methods of doing this are suggested:--

- (1) The maintenance payment for a child at the Hospital is £10 8s. per annum, the actual *cost* of its support being about £54 per annum. In the majority of cases the parents are able, and ought, to pay some part of this sum, but help to a greater or less extent is often needed. The Secretary can always furnish details of cases requiring such help.
- (2) Assistance in finding suitable Homes for children requiring care and attention after leaving the Hospital, is frequently wanted by the Committee.
- (3) Contributions towards the purchase of instruments, carriages, &c., for discharged patients, and towards their maintenance at Nursing or other Homes, are always welcomed.

DONATIONS.

A Donation of £52 10s. in one sum constitutes a Life Governor of Cheyne Hospital. (For privileges see under Annual Subscription.) Contributions of any amount are gratefully accepted and acknowledged; and these unexpected gifts come sometimes with particular gratification at a time of special and depressing need.

GIFTS IN KIND.

Amongst the gifts which are always specially welcome are:—

Cast Linen of any kind; also Children's Clothing, Counterpanes, Blankets, &c. Game, Fresh Fruit and Eggs, New (*unbroken*) Toys, Jellies, &c., from table are much appreciated.

The Lady Superintendent will forward patterns of red and blue jackets, flannel vests, night-gowns, and holland pinafores to any friends who may be willing to provide some of these constantly-needed articles of clothing for the children, the large majority of whom are always confined to bed. Miss Elam would also be most grateful for some parcels of old linen or calico of *any* kind, a supply of which is daily required.

ENLISTING FRIENDS.

It remains to mention one method of help which is within the means of almost all, and which may prove as valuable as any.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

MEMORANDA.

The Secretary will be very glad to receive from supporters of the Hospital the names and addresses of any friends to whom they would like a copy of this Report to be sent.

* * *

No Collectors are employed by this Hospital, nor is any commission deducted from contributions received.

* * *

The Hospital does not afford a complete course of training for Nurses nor admit Probationers.

* * *

There is no Out-Patient department.

* * *

The average length of Patients' stay in the Hospital is about twenty-seven and a half months.

* * *

The average cost of each occupied bed was last year about £54, or 20s. 9d. per week.

* * *

The average number of children ultimately discharged, relieved or cured is rather more than half of the number admitted.

* * *

To prevent misunderstanding, the Committee beg that Subscribers recommending Children for admission will explain to the Parents that this Hospital is for *Incurable and Long Cases, such as cannot be retained in a General Hospital.*

* * *

All that is possible will be done for the Patients, but if a rapid cure could be reasonably expected, the case would be eligible for a General Hospital, and therefore would not be received here.

* * *

It should also be borne in mind that the Hospital is usually full; and that there are often a certain number of eligible cases on the Admission List awaiting their turn to be admitted as vacancies arise.

* * *

Those interested in the work of this Hospital are invited to visit it any week-day afternoon between 2 and 4.30 o'clock; and if desirous of becoming regular weekly visitors, to communicate with the Lady Superintendent.

* * *

Visitors are reminded of the danger of coming to see the children in the Hospital after having been in contact with any infectious disease.

* * *

The parents, relations, and friends of the Patients are admitted on Sunday Afternoons between 3 and 5 o'clock, but children will only be admitted on the first Sunday in every month.

* * *

It would much facilitate the collection of contributions and would assist the completion of the list, if Subscribers, for whom such a method might be convenient, would kindly make use of the Banker's Form enclosed; and also if those whose subscriptions become due in June would be so good as to forward them before the 30th AT LATEST.

* * *

In view of the objectionable use made of Subscription Lists in compiling appeal directories, and for begging purposes, the Secretary wishes to say that, when desired, the addresses of contributors can be omitted from the list, or their contributions entered under initials or receipt numbers only.

* * *

Early advice of changes of address, or of any inaccuracies in the entries, is particularly requested.

THIRTIETH ANNUAL REPORT

OF
The Committee of Management

OF
Cheyne Hospital for
Sick and Incurable Children,

For the Year ending June 30th, 1905.

THE Committee have again much pleasure in presenting their report of the work carried on in the Hospital for the past year, of which the following is a summary:—

The past year, as will be seen from the summary given ^{Medical.} above, has been remarkable for the very few changes that have taken place among the patients.

This was due to the fact that several children were discharged shortly before the beginning of the year under review, leaving very few who, for a considerable time, would be likely to be well enough to leave the Hospital, and that only one death occurred during that period, as compared with an average of seven during the previous twenty-five years.

In consequence, it has been impossible to admit many new patients, and the Committee much regret that those who have applied for admission have had to wait so long.

Although there were so few actual changes, considerable progress was made in the case of many of the patients, several of whom have since been discharged, or are now nearly ready to leave.

It is satisfactory to be able to report that another year has passed without the introduction of any infectious disease.

Finance.

It is greatly to be regretted that the Receipts from Annual Receipts. Subscriptions and Donations again shew a decrease.

If it had not been for an increase in the grants made by the Hospital Sunday and Saturday Funds, and the refunding of the Income Tax payments for the past three years, there would have been a considerable deficit in the accounts for the year.

It is satisfactory to find that the General Expenses have ^{Expendi-} been less than in previous years, notwithstanding the cost ^{ture.} incurred through painting the outside of the buildings, etc.

It is most earnestly hoped that friends of the Institution will use their utmost endeavour to interest others in its work and to persuade them to contribute to its support, if only in small sums.

Cots.

Owing to the death of Mr. Herbert St. Hill, it was feared that the subscription to the "Woodcote House" Cot, which was established by him, would lapse, but the support of the Cot in his memory has been kindly undertaken by his friend, Mrs. Tandy.

The "All Fellows'" Cot has been re-christened the "All Fellows and Claud Alexander" Cot and is now supported by Mr. Herbert Alexander and Capt. Robert Alexander.

The Committee offer their sincere thanks to all of these and to all others who contribute such efficient help by continuing their Cot Subscriptions.

Cordial thanks are extended to Miss Marcon, Miss E. A. B. Lindsell, Mrs. Pearson and Miss Gibbes for their untiring efforts to raise funds for the support of their respective Cots.

Donations.

The Committee have gratefully to acknowledge the following contributions:—

		£	s.	d.
King Edward's Hospital Fund	-	100	0	0
Hospital Sunday Fund	- -	138	19	2
Hospital Saturday Fund	- -	76	14	0
Colonel R. J. F. Paley	- -	10	0	0
Mrs. E. F. Girdlestone	- -	10	0	0

General.

The past year has been one of great personal loss to the Hospital.

Mr. Wickham Flower's death, which occurred in September, 1904, was specially referred to in last year's report. The Committee also greatly regret to have to report the death of Dr. Vivian Poore, who for over twenty-one years had so kindly given his services as Honorary Physician to the Hospital.

The Right Hon. Lord Redesdale and Mr. W. Knox D'Arcy have, much to the regret of the Committee, resigned their Trusteeships. The former was one of the first signatories to the Hospital Deed of Trust, and the loss of both will be greatly felt.

The Committee also regret to report that the Lady Vere Hughes has been compelled to resign her membership, and have to thank her most sincerely for the help she so kindly gave for some years.

Sincere thanks are due to the Marquess of Ripon and to Mr. Augustine Birrell for kindly undertaking to act as Trustees, and to Miss Norah Matthey who has joined the Committee.

The post of Hon. Physician has been filled by the appointment of Dr. J. Rose Bradford, who has most kindly consented to give his valuable services as may be required.

On the afternoon of Palm Sunday, four of the little invalids were confirmed by the Rt. Rev. the Bishop of Kensington, attended by the Rev. L. M. Shelford, who had prepared the candidates for the ceremony.

Special Funds.

THE CHILDREN'S COT ENDOWMENT FUND.—Miss Pearse and her friends have again been untiring in their efforts to complete the fund for the endowment of the "Children's Cot" and it is hoped that this will be effected during the current year. The boys of the Bengoe School have once more contributed materially to this fund, for which special thanks are extended to them.

THE WORDSWORTH COTTAGE HOMES FUND has again been found very valuable and it is probable that a large demand upon its resources will be made during the current year.

This is a most useful fund, and the Committee's warmest thanks are due to Mrs. Wordsworth for having organized it.

Acknowledgments.

The special thanks of the Committee are due to the Staff of St. Luke's Church, Chelsea, for their kind help in conducting the Sunday services throughout the year. These services are much appreciated both by the staff and by the patients.

To the many friends who have given up their time to visiting the little patients, teaching and amusing them, as well as to those who, in many ways, have helped to forward the work of the Hospital, the Committee offer their sincerest thanks.

Gifts, Through the kindness of friends, several entertainments were held in the Wards, to the great delight of the children.

Owing to the weak condition of many of the patients it is found to be necessary to somewhat limit the number of these entertainments, but a certain number are very desirable for the sake of the pleasure they give.

An acknowledgment will be^{*} found on page 57 of gifts of clothing, etc. Any such gifts will be most thankfully acknowledged by the Lady Superintendent.

Com- The following members of the Committee of Management
nittee retire at the Annual Meeting, in order of seniority of their appointment, and are eligible for re-election thereupon, viz.: Mrs. Geiger, Sir Charles Cookson and Mr. George Matthey.

Signed on behalf of the Executive Committee,

COLIN SCOTT-MONCRIEFF,

Chairman.

LEONARD F. HARRISON,

Treasurer.

THE "LITTLE CRANSTOUN" COT
ENDOWMENT FUND.

The following amounts have been subscribed for, and are held by Miss E. A. B. Lindsell, on account of the "Little Cranstoun" Cot Endowment Fund, and have been invested by her in Government Stock (Local Loans) pending the completion of the required sum.
